CATT PAC Endorses Greg Diaz for Nevada County Clerk-Recorder

The Contractors Association of Truckee Tahoe Political Action Committee (CATT PAC) today announced its endorsement of incumbent Greg Diaz for Nevada County Clerk-Recorder.

CATT PAC Board members made the decision after individual interviews were conducted with both Diaz and challenger Barry Pruett. “Greg exhibits several qualities we think are key to the position of County Clerk-Recorder,” stated CATT PAC Chairman Mitch Clarin. “His absolute commitment to be neutral on issues before the voters garnered high praise from our Board, as did his extensive experience. Greg has brought innovation with early voting and his strong push to get Truckee election results tallied and reported as soon as possible. We were especially impressed with his proposal to allow electronic document recordings here on the east side instead of driving to the County Court House in Nevada City. In short, we believe Greg Diaz to be a valuable asset to the voters and citizens of Nevada County and deserves to be returned to the seat of Clerk-Recorder.”

Questions about this endorsement should be directed to Pat Davison for CATT PAC at 530-550-9999.
